

Training Programme on

Pre-Clinical Development of Medicinal and Aromatic Plant-based Leads

CSIR-Central Institute of Medicinal and Aromatic Plants (CIMAP) is a premier laboratory in the biological sciences cluster doing excellent research in aromatic and medicinal plants of economic importance. The scientists of CSIR-CIMAP holds great expertise in the areas from agricultural, chemical and biological sciences who are working for improving the life styles of billions of people of India especially farmers. Write from developing best varieties of medicinal and aromatic plants for the farmers to the health-related products for the common man of Indian society has been the aim of CSIR-CIMAP. A great state of the art infrastructure with high end instrumentation facilities facilitates CSIR-CIMAP's research for developing products of great value and pursuing world class science of the modern era. With this view, the hands on training programme entitle "*Pre-Clinical Development of Medicinal and Aromatic Plant-based Leads*" is targeted for individuals who desire to refresh/upgrade/acquire professional skills in the specific area of pre-clinical development of herbal products under the broad category of health sector. This course is practical intensive with ~24-26 hours hands on laboratory experiments along with ~12-15 tutorials to understand the basic principle of pre-clinical development related studies. The objective of this training programme is to generate a passion among the researchers to pursue science as a career and do the excellence. The details of the training programme are available on the CSIR-CIMAP website (<http://www.cimap.res.in/skilldevelopment>).

Title of Course	:	Pre-Clinical Development of Medicinal and Aromatic Plant based Leads
Duration	:	07 working days
No. of seats	:	15
Educational Qualification	:	B.Tech/B.Pharm/ BAMS/ M.Pharm/ MD/ /M.V.Sc /M.Sc in biological Sciences or equivalent
Age Group	:	21-40 years
Date of Commencement	:	June 8-15, 2020
Venue of the Course	:	CSIR-CIMAP, Lucknow
Course Fee	:	INR-10000/- (Lodging and working lunch included)
Residential/ Non-residential	:	Residential

Candidates will be shortlisted based on the application form along with recommendation letter by Head of Department/ Institution. Eligible candidates may apply through attached form latest by May 15, 2020 by email to hrd@cimap.res.in and copy to du.bawankule@cimap.res.in. After short-listing of the received applications, the selected candidates will be informed for the submission of the course fee either online or through demand draft (in favor of Director, CIMAP payable at Lucknow).
